With reference to Government Order No.12152-4/Edn.289-13 dated 3rd June 1914, authorizing me to sanction from the budget allotment buildings grants-in-aid up to a limit of Rs.200, in each case, toward the completion of the school buildings undertaken by the people, and increasing the limit to Rs.500 as a special case till the end of 1914-I have the honour to inform you that grants to the extent of Rs.9,575 have been sanctioned till now for erecting school houses during the current official year, for which an allotment of Rs.10,000 has been set apart from the amount of Rs.1½ lakhs sanctioned for village school buildings. Towards their share of cost, a sum of Rs.9,909 has been contributed by private persons in the shape of money and materials. Every effort is being made to induce the people to provide suitable buildings and several people are coming forward to undertake the construction of buildings. Under these circumstances I request that Government may be pleased to authorize me to sanction grants up to the limit of Rs.500 in each case, for two years to come, till people reali to a greater extent their responsibilities in providing educational facilities for their children.

I have the honour to be
